Pune - 411 006.

Sub : Approval of flame-proof electrical equipments
under Petroleum Rules, 1976.

Dear Sir,

Please refer to your letter No. SRI:CCR:194:95
dated 1.8.95.

The following flame-proof electrical equipments
manufactured by you and conforming to IS:2148-1981 is approved
for use in Division I and II hazardous areas coming under
the Petroleum Rules, 1976 administered by this department.

Sr. No.	Description	CMRS Test Report No. & date
1.	Flameproof Pulse Transmitter rated at 12 volt DC, 0.01 Amps input, in cast aluminum alloy D-8 construction.	1) CMRI/TC/H783 dt. 25.7.95 read with CMRS Test report No. V/1/1/707 dt. 25.8.88

This approval is granted subject to the following conditions:-

1. The equipments are covered under a valid BIS licence.
2. The design and construction of the equipments shall be strictly in accordance with the description, conditions and drawings as mentioned in the CMRS test report referred to above.
3. The equipment shall be used only with approved type of accessories.

1/2/1

4. Each equipment shall be marked either by raised lettering cast integrally or by a plate attached to the main structure to indicate conspicuously:-
 - (a) Name of the manufacture.
 - (b) Name and number by which the equipment is identified.
 - (c) Number and date of the test report of the CMRS applicable to the equipment.
 - (d) Number and date of this letter by which use of the apparatus is approved.
5. A certificate to the effect that the equipment has been manufactured strictly in accordance with the drawing referred to in the CMRS test report and is identical with the one tested and certified at CMRS, shall be furnished with each equipment.
6. The customer shall be supplied with a copy of this letter, an extract of the conditions and maintenance schedule if any recommended by CMRS in their test report and copy of instruction booklets detailing operation and maintenance of the equipments so as to maintain it flame-proof/intrinsically safe, as the case may be.

This approval also covers the permissible variation as approved under the CMRS test report referred to above. This approval may be deemed to have been revoked with immediate effect if any time, anyone of the condition subjected to which approval has been granted are violated or not complied with. The approval may also be amended or withdrawn at any time if considered necessary of safety.

Yours faithfully,

(Shambhu Prasad)
Controller of Explosives
